

Birthday Party Information

Birthday parties are a big celebration at Step Above Dance! The birthday child and friends will have the whole studio to themselves as they take two dance classes of their choice (ballet, jazz, acro, hip hop)! Parties are two hours long; one hour and fifteen minutes of dancing, and forty five minutes for food, cake, and gifts.

We have two opportunities for birthday parties each week: They may be booked on Saturdays from 5:30-7:30pm or Sundays from 1:30-3:30.

The facility will open 20 minutes before the party begins and will close 15 minutes after the party ends.

All food and beverages are to be kept and served in our waiting area. No peanuts of any kind within our facility. Please provide your own food and beverages.

One adult must stay during the duration of the party. The teacher(s) will also stay throughout the party and will be available to assist the parent during set up and take down as well as during the non-dancing portion of the event.

Please arrange for all guests to be picked up promptly following the party.

The facility will be clean upon arrival and will be cleaned following the party. Any significant messes or damage to the facility will be charged a minimum of \$50 extra.

Plates, cutlery, napkins, and decorations will not be supplied by Step Above, nor will treat bags.

A deposit of \$50 is due upon registration by cash, cheque, credit, or debit to stepabove.dance@gmail.com no later than 30 days before the party date.

Fees:

\$149.99 plus tax for 2 hours – 10 children or less – 1 teacher

Additional \$50 plus tax for more than 10 children (including the birthday child) which shall include a second teacher

Full payment is due at the conclusion of the birthday party by cheque to Step Above or by cash, credit, or debit.

I have read and understand all policies above. _____
