

August 2020 Newsletter

We hope that everyone is enjoying their summer so far! There are a lot of exciting things happening at Step Above. Check out below for important dates and information, and as always if you have any questions, please do not hesitate to ask!

We have many procedures to follow this dance season, as we do our part to stop the spread. Please see page 2 of this newsletter for all of our guidelines.

Best of Broadway

Summer Camp

August 17th-21st

Monday-Friday 8:30-4:00pm

Register online today!

Limited spaces available

Upcoming Dates

⇒ Fall registration is open! Head on over to <https://dancestudio-pro.com/online/stepabovedance> to register! No payments are required at the time of registration. Class spaces are limited, so be sure to reserve your spot.

**Preschool classes will be scheduled as mini sessions for September, October, and November, and we will run a full season with a recital from January-May 2021*

⇒ Miss Jacqueline is going live on Facebook every day this week at 11:00am to talk about what is happening at Step Above and how we have modified our programs for the upcoming season. Make sure you tune in to our Facebook page as there will be free giveaways each day!

⇒ September 8th: First day of classes!

What we're doing to stop the spread

1 MASKS ARE MANDATORY

Masks must be worn by everyone who enters our facility. Dancers may remove their masks while dancing in their studios if they wish, as they will remain 6 feet apart. Masks must be worn in all common areas such as hallways, washrooms, etc.

2 SANITIZING UPON ENTRY

Everyone who enters the facility must sanitize their hands upon entry.

3 COVID SCREENING UPON ENTRY

Everyone who enters the facility must complete a covid screening before they arrive including a temperature check. Please be sure to do this at home, and to send a paper copy with your child every day. They will need this to be allowed entry into the building.

4 CLOSED WAITING AREAS

Our waiting areas are closed for viewing. They will only be open for drop off for children ages 5 and below. If you would like to meet with Danielle, please make an appointment or call.

5 CLOSED CHANGEROOMS & WATER FOUNTAIN

Our changerooms and water foundation are closed. Dancers should come dressed for dance and bring their own labelled water bottle.

6 SOCIAL DISTANCING

Every dancer is 6 feet apart while in our building, including in studios while dancing (we have marked 6 foot boxes with yellow tape for each dancer, and green feet to show them how to line up).

7 HOURLY SANITIZING

Our facility is sanitized either every hour or between every class (whichever is more frequent). This includes all high touch surfaces including bathrooms.

8 DAILY FACILITY CLEANING

Our facility is cleaned daily including floors, walls, mirrors, etc.

9 NO SHARING OF EQUIPMENT

Acro mats are individual and are not shared, they are also cleaned and disinfected between each class.

10 TEACHER PICK UP AND DROP OFF

Dancers will be escorted by teachers to and from class, maintaining 6 feet of social distancing.

11 DANCE BAGS TO REMAIN WITH DANCERS

Dancers will bring their belongings into the studio and should place it in their designated spot.
