

Miss Michaela
Recreation & Competitive Dance Instructor

Michaela began her dance education at Step Above in 2003. After dancing both recreationally and competitively for years, she starting teaching her own classes to younger dancers. She then attended Western University and is now graduated with a Bachelor's degree in Science (BSc) and a Master's degree in Environment and Sustainability (MES). During her time at Western, she was also a dedicated member and choreographer for UWO Dance Force, the largest dance club on campus. In her 4th year of undergraduate studies she became the Artistic Director for Dance Force, where she organized a group of 200 dancers and prepared them for their year-end recital and helped to raise tens of thousands of dollars for local London charities. Michaela is now taking a year off, and very excited to be back home at Step Above.
