

February Newsletter

Happy Valentine's Day! February has arrived and our busy season at Step Above is starting! We are looking forward to 2 performances by our competitive and pre competitive teams on February 25th at Forest City Community Church in London. If you want to learn more about our performance teams or would like to come and see some great dancing, we would love to have you come out. Tickets are available at reception for \$20 (12 and under get in free).

Just a reminder for all dancers to **remove their boots** at the door when they arrive and to make sure all footwear is clean and indoor only (specifically hip hop shoes).

Step Above **spirit wear** is still available for sale in sizes xxs kids to 3xl adult.

Registration for our summer mini sessions will open later this month. We will have two 6 week sessions running from mid May to June and then July and August. We have already opened registration for our summer camps and they are filling up quickly.
